

## GETTING TO "YES"

**Esther said "Yes" to God and so should we.**

The Lord intended, by the narrative of Esther's history, to set before us a wonderful instance of His providence, so that when we had viewed it with interest and pleasure, we might praise His name, and then go on to acquire the habit of observing His hand in other histories, and especially in our own lives!

**-C. H. SPURGEON**
